Out trips around campus:

During the time that your child attends Great Lakes Christian Preschool there are many opportunities too use the entire campus for such things as nature walks, costume parades to the High School, impromptu strolls in the rain, walks to the big rock or around the track at the north end of the property. These events are often spontaneous and something we value in the program. Please provide permission for your child to participate in such events around campus.

I give consent for my child to be involved in all activities at Great Lakes Christian Preschool as they occur within the school boundary. I understand that all programs are supervised by qualified staff at all times. I understand that in the case of field trips off the campus, parents will be provided with pertinent information and separate permission forms.
